

1. Based up on the CDC and county regulations the pool capacity is set for the time being at 42 residents. This capacity is based upon the number of Family Tables and the number of chairs we can fit while observing the 6' social distancing guidelines.
2. Because of the headcount limitation the pool will be for RESIDENTS AND IMMEDIATE FAMILY ONLY. No outside guests are allowed at this time.
3. Due to headcount, we ask that Residents limit the amount of time to between 2 and 3 hours to allow for availability to others.
4. Updated rules for pool usage are attached and will be posted at the clubhouse.
5. The 4 tables set up around the pool deck will be for families only.
6. All deck chairs will have designated spaces marked on the deck, 6 feet apart to meet social distancing guidelines. Chairs may not be moved from their marked locations for any reason.
